About Escom Events

Escom is a well established and international recognized business conference specialist focusing the fast-growing Asia Pacific markets. Escom Events provides business executives with tailored practical conferences, large scale events, topical seminars, keeping them up-to-date with industry trends, technological developments and the regulatory landscape. Escom Events conferences are market leading "must attend" events for their respective industries. All our events are designed for corporate vendors to reach their prospects and explore new business opportunities at our "One Stop Shop" Summit. Each year, we produce more than twenty top conferences diversified in seven countries covering retail, hospitality, aviation, information technology, healthcare, transportation and manufacturing. Hundreds of markets entities, thousands of business executives have take full advantages of Escom events addressing the most pressing industry strategic topics and giving answers to concrete issues and even technical prospective.
